

Coaching - Requirements to be Head/Asst Coach

To be a coach, you need to be able to give your time to coach your team at games, plan the games (positions, substitutions, administration), plan and conduct at least one practice per week, interact with your players' families, and in general be a champion for good sportsmanship. Soccer skills are also helpful!

If you are accepted as a coach or assistant coach, you will immediately need to **complete a background check**: (no cost).
